

Clinical research under better circumstances – We combine academic knowledge and medical know-how with economic flexibility.

The GBG Forschungs GmbH is the only academic breast cancer study group with a professional infrastructure. As an innovative, medium-sized company, we conduct top-level clinical trials in the field of breast cancer. We work in cooperation with a comprehensive network of international study groups and national research centres.

We are searching highly qualified candidates to fill the following position:

## Head Physician (f/m) in Breast Cancer Clinical Research

Location: Frankfurt am Main, metropolitan area

### Key responsibilities:

- Participating in scientific projects
- Compiling new (sub-)protocols / Inspecting compiled protocols
